The Premises:

Nice flat, 2nd floor above cafe, few minutes walk from Queensway tube station. Discrete entrance and felt very safe. Clean and comfortable flat and good shower.

The Lady:

Alycia is simply stunning and much better in the flesh than in website photos. Tall and very fit Thai girl. She said 27, which seemed right but she could easily pass for much younger. Long hair, nice pert natural tits, leggy and a perfect peachy arse. Smooth shaven (in fact plucked!) pussy. She had me hard as a rock the second I saw her.

The Story:

An excetionally good time with the delightful Alycia. Apart from the physical attributes (10 out of 10 there) she is a friendly and chatty girl with good English. Had quick shower on arrival and Alycia had glass of wine ready in room.

Alycia then got straight to work, getting her head down between my legs as I lay on my front. She gave me a nice rimming session and then moved on to sucking my balls and cock, which by now was the hardest it's been for ages. Turning me over she began a fantastic OWO session, sucking deeply with loads of saliva, so nice and sloppy. She is an amazing cocksucker. I knew I couldn't hold out too long as I was so worked up so I delivered my first load of spunk deep into that pretty mouth of hers.

After another glass of wine from Alycia she made herself fully available for a thorough inspection while I was recovering for round two. I got my tongue deep in her lovely arse then gave her sweet pussy, which she spread very wide for me, a good kissing. She was very wet and I got my fingers right inside her. She has the loveliest pussy I've ever examined and I spent a long time in there feeling her inner beauty. She took fingers up her arse at the same time.

I then took her pussy, which was really tight, in different positions (Alycia is a very flexible girl). She had a very nice grip on my cock. I didn't want to spunk in her pussy so opted for more OWO, which she delivered as enthusiastically and expertly as round one, culminating in a second deep throatful

of spunk from me. Good girl Alycia. She gives A-level but time ran out this visit - her arse looks so very fuckable so I'll make that a priority for next time.

An incredibly good hour with a sensationally good Thai cumslut. Who could ask for more? An absolute star.
