The Lady:

New photos are coming. I think the current pictures are still accurate, although the hair colour may be different. - not an issue to me.

The Story:

Been a bit down in recent times, and really needed something a bit beyond a normal punt.

I first saw Juliette around five years ago up north. I have seen her a few times since then in the Milton Keynes area and have always been exceptionally satisfied - and it is to my shame that I have never individually reported upon Juliette.

You know what they say 'old friends are the best friends'. This could not be truer.

I got some valuable advice, got told some home truths also. Basicly looked me straight in the eye and told me what I already knew!.

Many reports have been filed, check those for details. A lovely lady. Motivated, caring, easy to talk to. I wish I had a bit of that Essex spirit!.

Would I recommend: Without a shadow of doubt.

Visit again: I wont be leaving it so long!.

So if you have seen Juliette in the past, and had a good time - go see her again!.
