The Premises:

Area a little run down, but felt completely safe. What I saw of her house, and certainly the bathroom and bedroom were spotlessly clean, and smelled fresh and comfortable.

The Lady:

Pirdi (idiosyncratic spelling of Joanna Lumley's part in the Avengers!) describes herself well and substantially accurately on her web site. Her photographs are not that helpful, and, for perfectly discretion do not show her face. To my eyes Pirdi is an attractive lady, and either wasn't wearing any face paint, or if she was it was thin. Lovely soft silky skin.

The Story:

This was a real GND (girl next door) session - I'm afraid I was selfish (but it was me that was paying, after all) and I let Pirdi do most of the work. She succeeded in giving me a second round, which I haven't had in a long time, and we just lay there for a long time, chatting about this and that - she is right, she put me completely at my ease. There was nothing kinky or "advanced", just nice slow mish, which was exactly what I wanted. Pirdi is slim, but her sense of humour is generous. An enjoyable and fun punt.
