The Premises:

Easy parking, easy access - flat door was opened as I got to it. Clean flat, powerful shower, nice big room with lots of mirrors.

The Lady:

Early thirties, fab smile, gorgeous figure, beautiful hair. The pics on the site are accurate, but don't fully capture her charm and smile.

The Story:

Felt immediately at-ease (not been punting long), and pleasantly surprised by a gorgeous kiss and hug on her entrance. Lots of kissing as she extracted mini-me and knelt for some fab OWO in front of the mirror.

Took to the bed for some more OWO and 69 before indulging myself in some RO - which she took to enthusiastically & returned the favour before the hat went on for her to leap aboard. What fantastic boobs to keep my hands busy with! Various positions with us taking turns in suggesting the next. Lots of kissing (when our faces were close enough!)

Carla said I could finish over her if I wished - for which I'm a sucker. Finished after OWO all over her boobs and neck.

A fantastic half-hour: seemed like a lot longer. Carla is a diamond - felt like I'd known her ages & the whole visit was very relaxed: in a passionate way!

Thanks, Carla.
