The Premises:

A modern clean and easy to find flat in the central Birmingham area

The Lady:

Anjali is a 21 year old student, indian I think and a native of Birmingham. she is about 5 ft 5, not thin but not too round either, just right. She has a small pretty face with above the shoulder hair.

The Story:

Anjali has not been in the business a long time and still has that freshness that eventually goes from many WG. She was even unaware of this site!

Her oral skills were very good and I only stopped her because I wanted to last the distance. Everything is covered which is fine by me. I took advantage of her weekend special of ?50 which is slightly less than she normally takes.

Once she has earnt money to resume her studies she will probably stop. Worth a punt.
