### The Lady:

Now, Natalia is stunning. Nice looks, personality and a great unit!

### The Story:

This was a strange meeting in many ways. We kissed like GFE. But she knows how she likes to control an appointment. A superb massage and an amazing orgasm. I returned the favour and she came very quickly. BUT, two things are wrong here. It is effectively a massage with HE. ?150 is too much for that. This was also my first experience of a lady who knows exactly how much time is left. I was told I had seven minutes left and what did I want to do next. Then she said 'six minutes now'! I was in and out in less than 60 minutes and felt a little cheated which is a shame because she is stunning and I would have liked it to become a regular indulgence.
