Clean modern apartment in an infamous block used by agency girls for years.

The Lady:

The pictures don't lie, this lady is gorgeous. Big natural, breasted and wide hiped, toned, tanned body. Very pretty face.

The Story:

The pictures promised Heaven and it was indeed looking good when her English proved so fluent. Alas things started heading downhill soon after. I booked for an hour but she said that the agency had told her 30 mins and she had another appointment following. After a quick shower we started nicely with kissing, she had that air of a shy girl with rising passion. Unfortunately she was pretty much submissive in the manner of not wanting to initiate. After apparently making her climax through reverse oral she still didn't get involved or act out a desire to bring things to a conclusion. Then she stopped proceedings to check the time and said 5 mins. I soon gave up and got showered. Still wanted to see her again because of her looks but her air (and I get the impression she's already a jaded pro despite being new to the agency) kept me thinking as I slowly left the building. It wasn't until I was well down the road that I realised she'd managed to get me out the door in under 30 mins, including 2 showers and a little conversation.
