The Lady:

Gorgeous. Great boobs - the gravity defying DDs are all her own and legs and bum to die for.

The Story:

Her arrival was not the most discreet either in manner or dress for a day time to a pvt house, but fortunately I had specified the back lane and it was empty.

Not been doing this for long but a natural, very confident and outgoing lass - no ice to break.

I had a great time exploring a genuine "Babe", then she did her wicked worst on me - had to exercise much control during OWO. Lovely view doggy then turned her over to finish with lots of DFK.

No rushing around on completion just a nice relaxing recovery.

Will go round again for sure
