The Premises:

Nice quiet area that felt safe. Plenty of free parking available on her street of residence or on the adjacent roads. Very easy to find. I parked on an adjacent street and made my way to her house on foot.

Lou's place was clean although she had just moved in and was in the middle of decorating. She comes across as being house proud. One room was decorated very nicely so I imagine that the other rooms will follow suit when the decorating is finished. In saying that, to me, the previous decor wasn't too bad although she would probably disagree with me.

The Lady:

Lou is a sexy, curvy woman who I estimate to be in her mid 20's. Size 14 - 16. Nice face, nice breasts, and pierced clit. Boy was she tight! She likes to do Kegel exercises and you can definately feel a difference!

The Story:

As I stepped through her front door Lou started chatting and immediately I felt at ease. It was as though we were old friends. That's how comfortable I felt. Went straight to the bedroom and delt with the finances. Stripped and lay on her bed for a bit of a massage.

Lou likes kissing albiet without tongues which was fine by me and was enough to get my good friend John Thomas excited. Great OWO followed. Her proper working name is 'deep throat lou.' Need I say any more?

She loves reverse oral but you have to be careful with her pierced clit as it's very sensitive. Gently does it works better than rough tongue flicking, and sucking on it is a definate no no...

Cow girl followed briefly before missionary to finish off... I couldn't last longer than the time it took Ben Johnson to run 100m :-)

Lou loves her job and it shows. All in all, this was a great punt (9/10) - Thanks Lou!
