The Story:

Saw the lovely Sandy other week on a Thursday. She usually doesn't work on Thursday. Chuffed I saw her walking into Old Compton St so took a chance. Still can't get over the way she slips the condom on with her mouth had the best lunch time stress relief blow job in Soho. Paid ?52 and worth it, went back for more a couple of weeks ago and just as good the second time around. I'm usually a weekender and did this on the spur. Good news for me, she has switched to Saturdays.. . looking forward to going back again
