The Premises:

Small, but nice hotel close to Harrow on the Hill Station.

Room was small and functional, bed was just big enough for the 3 of us

The Lady:

Sophie - good looking 5'8" tall, blonde, lovely figure, C cup breasts (at least) shaven puss

Gwen - good looking 5'7" tall, brunette, lovely figure, C cup breasts (at least) shaven puss

Both very friendly

The Story:

I'd wanted to see Sophie for some time, but when she and Gwen advertised as Spicy Fun, I couldn't resist.

Started off with a nice chat, then I showered, and upon return we all started DFK; my towel and the girls dresses soon came off.

The whole time was a slight blur - there was some nice girl on girl, I got to have sex with both of them, lots of licking and sucking (OWO from both). I remember Gwen riding me cowgirl and Sophie sitting on my face - just a very porny experience with two really lovely girls - finished coming over their breasts. See them both together or as a 1 on 1 - you'll have a great time and they are great value for money
