### The Story:

This was my first walkup so was nervous, even more so after first ringing bell to be told paris is busy and has someone waiting. Went away in two minds if to go back so glad i did after 20 mins sorted money and had a great bj was even better watching her suck and lick away then onto shag her on top and sadly me done quick clean up and i was away. Need to go back to show her what i can do as was first time and nervous but best ever with hottest girl around treat her well guys ill be back!
