The Story:

The girl I had wanted to see was busy with a person waiting so popped round the corner to see who was around. Saw the sign saying brazilian and thought 'yeh right'.

She walked in and my jaw hit the floor. She was a FHM model walked off the page. Almost left beacuse the prettier they are the more of a poor service they tend to give. Glad I stayed.

Tried some portugese on her and she smiled so probably authentic. Things were going well untill she started to rush me as there was someone else waiting. I said I still had 2 minutes and she accepted that. Not the most responsive of girls but she could be at an agency charging ?250 per hour so just enjoy the view and when they show some gorgeous brazilian girl on tv during a game know that you have had sex with her prettier sister.
