The Premises:

Not far from Junc 15a om M1 was given directions to a road near by and asked to ring again for final directions no problems a safe enough area on a estate.

The Lady:

A well porportioned lady with a nice friendly smile was wearing a camisole I think nice breasts and bum.

The Story:

Was shown into the bedroom exchanged the paperwork opted for the OWO which was a tenner extra started with a nice frontal massage,then got into a nice full on snog and guys Shanni doesnt hold back she was really thrusting herself against me lovely stuff,then she moved down to start sucking and licking watching her head bobbing up and down was fantastic,after some more snogging into the mish and a energetic romp followed to its inevitable climax.Will definately be coming back for some more soon.
