The Premises:

Well reported soho walkup. The flat and the bedroom are on opposite sides of the landing. Nice sized bedroom with double bed.

The Lady:

Gorgeous cute slim very young brunette - 18 years old tanned - shy looking spanish ? girl, small perfect frame and nice smooth tanned skin.

The Story:

Sonia entered the room looking a little agitated shuffling her feet in a nice small red dress , her small perfect breasts heaving out of the black bra above the dress with slim short toned legs on high heels showing off her cute small pert bum.

Asked for the sex only service and she said this did not include removing her dress and i should look somewhere if that was not ok and pointed to the door. Almost left but could not resist banging her for ?22, never mind the attitude her body looked well worth the money and my cock was telling me i could not leave without investigating further !. Feeling really horny today after getting a blowjob earlier from victoria in Lisle st., still thinking about her slurping , gagging and suffocating on my cock as i pushed her head down while she knelt in front of the mirror !.

Anyway Sonia returned and laid straight down on the bed ready to be enjoyed, i jumped into position and entered her pushing my fat hard-on slowing into her tender young flesh as her puppyish eyes looked away pumping slowing using the full length of my member holding my body above, engaging her with my hard muscular body.

Continued this for as long as she could endure then when indicated proceedings needed to be speeded up lowered myself feeling her fragile slim body under mine as pumped deeper with more powerful strokes my cock embedded in her pussy and her lips tighten around the base with each movement.

Now getting tired i raised my game and a few more quick thrusts and felt more blood pump into my cock as i swelled and ejaculated inside her tender young tight fit young body.

Recommended for a fantastic slim taught body but would not return as she was not really interested but maybe would be happier if more money was spent.
