The Premises:

We met in a budget hotel which was safe and clean.

The Lady:

Lizzie is a mature BBW. She is 51 years old and has 44C boobs and a large bottom. She is certainly not one for the guys who like young skinny girls but if you like like your ladies curvy then she may hit the spot for you.

The Story:

I was ready in the hotel room before time and got a text from Lizzie that she had arrived. I told her the room number and she came on up. Lizzie is as I described her above and ticks my boxes. We kissed and cuddled for a while and she got undressed to her basque and black stockings as previously agreed.

We performed oral on each other, first individually and then in a 69 position. We had sex in different position until I could hold on no longer.

After we kissed and laid together talking. Lizzie likes to chat and is very friendly. She is no clockwatcher. I will certainly see her again.
