The Premises:

Modern basement maisonette close to Lancaster Gate tube. 3 bedrooms, bathroom, loo and changing room downstairs. Upstairs lounge, buffet provided not that I spent much time there, except for a quick refreshment!

The Lady:

Lots of very good looking ladies, photos as on website, most looked better in person. Line up included - Antonia, Jewels, Shamilla and a couple of others I didn't get round to.

The Story:

Started off with Shamilla (Dark skin, long dark hair) who skilfully extracted my first load using OWO, hand & prostate massage which made it very explosive! Then it was Antonia's (Blonde, lovely pale skin, fab boobs) turn - once hard again, mish and very good cowgirl, great pussy muscles! A little rest then with two of the latino girls (forgot their names) got hard and went for mish but unfortunately (? Too much lube / not tight) not a lot of feeling, nice but didn't come. Then Jewels (Pale skinned, Brunette, nice boobs) offered, couldn't refuse. mish and fab doggy (great bum!) to completion. Then Antonia made it her mission to get one more out of me before time was up, it took a bit but I made it with the help of Jewels as well - Antonia & Jewels make an awesome team! Bit of a queue for the shower at the end and rest in Hyde Park required afterwards! Can't think of a better way to spend two hours though!
