The Premises:

as has been reported before well maintained clean flat in lancaster gate, area upstairs for relaxing where drinks and food are provided with bedrooms and bathrooms downstairs where the partying takes place, flat is located in a very safe area. The parties are run by Lady EM, TnT and Chris at the moment as Moss is away with a broken hip, as always this party was well run.

The Lady:

There were 7 ladies partying Camilla, Claudia, Jasmine, Jewells, Jodi, Lexi and Monique all of the girls photos can be viewed on the LMP web site, they are all gorgeous and fun.

The Story:

I rang LMP on saturday morning and booked myself in for the full 4 hour party, you can stay for less time and the web site explains the costs for 2, 3 and 4 hours, anyway on arrival at lancaster gate I put my valuables in a sealed envelope, stripped off and had a shower before joining the girls upstairs for the lingerie parade and a chat with the other guests, then at 1pm we were invited to join the girls downstairs as the party began, the next 4 hours were spent playing with each of the girls sometimes alone but generally in 2, 3 or 4 some as it is a party and everyone is there to have fun, not going to single out any specific action but towards the end of the party everyone was in the front room and the beds had disappeared under a writhing mass of bodies all having a great time. so thanks to Em and the team for another great party.
