The Premises:

Private apartment in a modern block, a few mins from M62. Easy to locate and ample parking. Discreet entrance. Spotlessly clean place and Sasha requested I take my shoes off in the hallway.

The Lady:

Gorgeous, mature, tall classy lady. Elegance on heels.

The Story:

Warm welcome and Sasha made me feel at ease straight away. Very relaxed, friendly personality and a good helping of humour. I was invited into the massage room and shown where to hang my clothes and asked to undress and lay face down on the massage couch. Soothing music, perfect lighting.

For the first half hour or so Sasha gave me the most relaxing and sensual massage I have ever experienced. With tantricising use of fingernails and touching in all the right places, from the soles of my feet to the top of my head, she found G spots I never knew I had. Wonderful experience and I would have been happy if my time ended there. Her massage skills reflect her years of practice knowing how to connect woman-to-man.

Then into the bedroom for some body-to-body massage, sweet caressing andmore.....more..... well what can I say - words cannot describe the intense finale which you have to experience for yourself.

There was a clock in the room (which I like) but Sasha was not clock-watching at all, just a great time was what she wanted to give and it was a unique experience.

I'm glad I have found you, Sasha, after many years searching for the genuine sexy lady of my fantasies.

Hugs and kisses.

Michael
