The Premises:

Typical rented flat close to George Square, clean and safe, with standard beige carpets and MFI / IKEA furniture.

The Lady:

Laura is about early twenties with short dark hair, about 5'6" and has a lovely figure and an all-over tan...and I do mean ALL-OVER! One of the many Polish girls working over here. Big cheers for the EU.

The Story:

Laura started off straddling me to give me a massage with her short black dress risen over her thighs.

This led to some sensual kissing and her stroking the wee man which soon had him ready for action. From here Laura went on to a BBBJ which then led to sex in several positions, culminating in an excellent release from me.

Afterwards we lay together for a while then some more massage before I had a much needed shower and wished her well as we parted company.

Laura should not be mistaken for another girl with a similar name that I reviewed previously as the other girl has absolutely nothing in common with this Laura who is a total delight. Thoroughly recommended.
