#### The Premises:

This lady uses a terraced house in a quiet part of the town, no problem parking or curious neighbours. It was someone else's place but it was functional if nothing else, reasonably clean and tidy.

### The Lady:

Long hair and quite short although with heels on it was hard to say, but less than 5 2. Large boobs and dangly, trimmed down below.

#### The Story:

Strange one this, when I got there I was asked if I wanted to stay as she felt I was not sure if I wanted to well she kept on and during my time with her she kept asking for reassurance that all was OK. All the services were ok and if your into A levels, I get the impression she is too.
