The Premises:

Brooklyn's, well reported previously

The Lady:

Quite petite, very pretty with long dark hair, slender figure and very big natural tits.

The Story:

Liberty certainly looked the part and I thought my luck was in when she walked into the room. It wasn't.

Liberty's service was awful, with no eye contact, no conversation, no kissing and a distinct put-down when I tried to compliment her on her boobs.

I'd rather have a fun time with some old slapper than see this cold fish again.
