The Premises:

Met at a most comfortable hotel on the Quayside where, strangely, the lifts speak french!

The Lady:

Buxom (34"GG) and ample (size 16) redhead in her mid twenties - not a BBW, just nice and cuddly - fair skinned with plenty of freckles. A very attractive and softly spoken lady who initially came across as a little shy and timid but this soon passed as we got to know each other. Victoria's alias here is Lady Victoria.

The Story:

Victoria arrived wearing jeans, trainers and a flowery top. We got to know each other over a glass of wine on the sofa (I like sofas!) and this soon led to some arousing fondling following which she excused herself and returned from the bathroom, wearing a basque, thong, stockings and suspenders.

Victoria is very passionate and extremely responsive, her oral technique (OWO to completion) is simply outstanding. I am sure that we both enjoyed reverse oral and she introduced me to a little anal play - she is very clean and sweet. We didn't get round to sex but I am sure that would have been very good too - something to look forward to the next time.

Over dinner, Victoria was a most interesting companion.

I thoroughly enjoyed my time with Victoria - very highly recommended.
