The Story:

The booking started with a good massage of my back including body-to-body before I turned over for more body-to-body massage and manipulation of the little fellow to get him hard. I returned the favour with a long back massage for Mai before she turned over for a short massage of her torso and breasts. I could not resist any longer and removed her panties. We then moved onto mutual masturbation with me working her clitoris as Mai worked the little fellow with her feet; both in steps and also stroking with her toes. It was now time to slip on a condom and for Mai to provide so excellent oral.

With the little fellow as hard as he was going to get we began in a chair with Parisian, then Mai turned around, and supporting herself on the edge of the bed, slid up and down me whilst I remained seated. Next we moved to the bed with Mai lying on her left side before moving on to missionary. We swapped again this time into doggy before returning to Mai lying on her left side but time was running out so I asked for oily hand relief to get me to the desired conclusion.

Mai is lovely, we chatted like we were old friends and the physical activities were fantastic. All this and Mai is a beautiful lady too.
