The Premises:

Found through ace massage, address nearer Cheffins than shown on map couldn't understand directions on phone (my ears) texted me and then found easy, led in along alley to flat in newish build felt safe, flat was clean and room used ok.

The Lady:

Ella is north korean only been in uk for month and english very poor, small girl (size 6 ?) nice body (c boobs with nipples) unshaven no raving beauty but not unattractive. Tried to find if she was forced to do this in any way but she could not understand me but seemed happy with what she was doing.

The Story:

Only one girl available at a time here, changed weekly as most oriental establishments. Started with back massage then turned to front using boobs to massage privates, soon hard then covered oral and cowgirl and doggie. After event she cleaned me up then more massage to fill what remained of the time. Left by back door, think there was another punter waiting. Did not expect GFE this visit but fulfilled an urge that needed doing, although I will tick yes after do not expect miracles and a different lady will be there next time.
