The Premises:

Very smart apartment. Very clean; the room itself was like a room in a 5 star Hotel; ensuite shower room was spotless with plenty of clean towels. I was made very welcome by the Maid and felt very safe

The Lady:

Beautiful, just like the photos on the website - possibly even better looking. Fantastic figure.

The Story:

I had wanted to see Natasha for some time but had to wait until she was in London. Sometimes when you wait for someone for a long time you are disappointed, not in this case though. I had a shower and waited a few minutes for Natasha to appear. When she did I was totally gobsmacked; she was beautiful and absolutely recognisable from the photos on the website which is not always the case. We discussed out mutual likes and dislikes (there weren't really any dislikes). To my mind passionate kissing is an essential part of a punt and, in that respect, Natasha exceeded my wildest expectations. She kissed better than any other escort (except one) that I have ever seen. The next hour was spent in very passionate love making and Natasha made it absolutely clear that she wanted me to enjoy myself which I certainly did. I don't intend to go into details because Natasha is a Lady and I think it would be disrespectful to do so. Everything I wanted was provided by Natasha with a lovely smile on her face. As for those deep brown eyes well they have to be seen to be believed!! There was absolutely no clock watching on her part and we managed to have a nice conversation at the end. In point of fact I had to remind Natasha that my time was up. All the time Natasha was a wonderful companion and did all that she could to make my stay with her enjoyable. Natasha has a very friendly manner and her personality was brilliant. She seemed to be able to gauge my requirements perfectly. They say that beauty is only skin deep but that certainly does not apply in Natasha's case. She is a lovely person and, if you treat her with the respect she deserves, I am quite sure that you will have an enjoyable and unforgettable time as I did. Thank you Natasha you are a real star. I would add that I am an old guy but that made no difference to the wonderful and unforgettable time Natasha gave me.
