The Premises:

Nice friendly place that still seems to be in the process of establishing itself since the shake up in MK and the change of management. I hope they do well.

The Lady:

I'd have to say Carla is more curvey than some of the pictures suggest. I found her attractive with an excellent approach to her job and she is clearly skilled in the art of sex.

The Story:

I enjoyed my time with Carla and the previous FRs on her services are pretty accurate -she was absolutely all over me in the room.

As soon as Carla entered the room we went straight into DFK before she dropped to her knees to administer some skillful, deep OWO. In fact I had a massive session of oral from Carla in a series of different positions. My favourite being with Carla lying on the bed with her legs spread wide, allowing me unrestricted access to play with her pussy, whilst taking my cock deeply into her mouth while I knelt by her head.

We also had a decent session of RO all through the punt, which with the excessive amount of DFK made for an even enjoyable time.

After all Carla's attentions I was ready to get bagged up for a shag. Carla jumped on top and rode me for a while, before turning around for a spot of reverse cowgirl. We moved into mish for the final stages of the punt and I built up a decent head of speed, with Carla's encouragement before my balls gave up their sap.

There was no rush to get me out and Carla suggested she give me a massage, which was a nice touch.

Carla seems to have built up a well deserved reputation and I can see why if my experience is anything to go by.
