The Story:

I have tried to live my life by facing challenges. I've done the drugs and rock and roll so it was time for my first Lady Marmalade Party. I nearly didn't go; the previous day I saw a really ugly little man and thought "what if he's there tomorrow, it would be awful." I need not have worried, the other guests were fine and who was looking at them anyway!

I was taken in hand by the charming Em who showed me round on arrival and as I emerged from the shower The Girls came downstairs and from then on it all became a bit of a blur.

Suffice to say that over the next two hours I was constantly tugged, sucked and fucked with enormous enthusiasm by a voracious bunch of beautiful and charming young ladies. Sometimes on my own and sometimes with others. During the course of the visit I played with each of the girls and LOVED every moment of it. Eventually I realised that my powder was spent so washed, dressed, said my sad farewells and left.

To summarise, I had a FANTASTIC time and of course I will be back.

Em, my thanks to you and The Girls for a wonderful afternoon. Love Richard xx
