### The Premises:

Incall at her room in Glasgow City Centre hotel

### The Lady:

23 year-old busty Polish girl. Plump without being overweight. I know it's a cliché but she really does look much better in real life than her picture

### The Story:

Kelly was on tour in Glasgow and staying in a city centre hotel. I had seen her touring partner Dianne when theyb toured Glasgow in March, but I met her as I left that appointment and was determined to see her on her next tour

Kelly was swearing only a slip and stockings when I entered her room. She started fondling my tackle immediately and helped me undress

A spell of DFK then onto OWO followed then onto the bed for the main action. Kelly was caring and considerate, no feeling of being rushed.
