The Lady:

Very sexy Thai girl as per website - look at her video to see what you get. This agency is very good and honest in the descriptions it has of the girls and if you ask, they accurately offer advice on services etc.

The Story:

Had a great time - greeted by Natee wearing a sexy dress (very revealing on her ample breasts!) stockings and G-strig in black! offered a shower and drink, then straight down to some really good deep OWO to the back of her throat! returned the oral complement, lots of fondling penetration with fingers , tongues etc. Great sex, massage then back on to playing :-) Natee is such a nice girl to be with, she has a wicked grin and giggle, she is very keen to please and takes the initiative to start things off but is also willing to be led. A-levels are not on the menu but a little fingering seems aok! Agency really nice to deal with I will certainly return and see Natee again soon - Thanks
