The Premises:

Large Flat in residential area. Private and Discreet access, not overlooked. Plenty of on street parking or just 5 minutes walk from local railway Station. Buses from Gatwick and Redhill stop right outside. Spacious flat with very large bed, very clean.

The Lady:

Late 30's, beautiful body, long blonde hair, lovely boobs and fully shaven. Eyes that you just want to fall into.

The Story:

I have seen Emily on several occasions and each time it gets better. Always met in sexy outfit, bubble bath where you are pampered ALL OVER, dried and onto the very large bed. Massage if required (very good) and then onto really (almost) whatever you want. Oral with, sex in as many positions as there are in the Karma Sutra and more. Does a special trick with the condom when she puts it on and, if you want something different, ask for the elastic band treatment.

Emily is a lovely lady who will ensure you leave with a smile on your face and, wanting to come back for more. She is intelligent, friendly and caring. Treat her well
