### The Premises:

Bernie directed me to a private flat in a quiet part of an estate  
car parking was a short walk away but no real problem  
The approach to the flat is secluded and no problems with being overlooked

i was met at the door by the lady herself dressed smartly and was greeted with a smile followed by a passionate kiss

her flat is clean and tidy and friendly feeling too

### The Lady:

Bernie is around 5'5" with a neat size 10 figure with a 36" bust  
she describes herself as a mature escort and i would guess she is a shade over 40 but very fit with it

### The Story:

From the moment we met i was put at ease and felt as if i had known Bernie for a long while  
once in her "boudoir" we kissed some more and then got down to business  
this too felt completely natural and a real GFE which can be a hard thing to find but i have been lucky of late

we indulged in most "services" and both parties appeared to be having a really good time with Bernie enjoying a couple of "wild" moments during our time together

i will return in the near future to sample her wares again, Bernies enthusiasm and keenness to satisfy others is a rare find and i only wish i could keep her for myself!!!
