The Premises:

The flat was easily accessible & seemed clean & tidy, nice bathroom & comfortable bedroom with mirrored wall.

The Lady:

Kay (Keita?) is a Phillipino girl, maybe mid 30s, quite tall, dusky skin, very attractive lady, not a skinny model-like figure but nicer all the same, responsive breasts with lovely long nipples. Sexy bum & nice legs. Come-to-bed lips & long dark hair complete the picture!

The Story:

I think Kay & I clicked immediately, we got chatting about the World Cup as she was massaging me, it was a firm massage, with some nice strokes, especially around the thigh area.

We had agreed ?50 for massage & HR/O, but after massaging my back, Kay went down on me for a few minutes (covered), which led to her joining me on the pillow & some amazing kissing, which in turn led to my hands wandering to her "flower" & hey, Kay seemed to enjoy herself...

I am not going to say any more except it was an intensely satisfying punt & a huge surprise to me! I have been high as a kite since then!

Treat her well guys, she's a lovely lass!

Will defo visit again if I have the opportunity, thanks Kay! x
