### The Premises:

This is a very discreet flat with intercom access about a 4 minute walk from West Kensington tube station.

### The Lady:

Hannah is a very busty, 38G natural, dark haired girl. She has a very bubbly and friendly personality. She has worked in the porn industry so she is obviously very experienced.

### The Story:

I was so tired so on seeing Hannah I decided on breast relief. Her boobs are very big and heavy with lovely large areolas. I loved playing with her boobs especially licking and sucking her nipples. I came on top and thrust away before withdrawing and wanking off over them. A really good release and an enjoyable and interesting time with Hannah.

This establishment specialises in British girls, mostly with big boobs.
