The Premises:

Usual kind of flat near Paddington, all fine, though bathroom was unbelievably tiny - if you want a shared shower you might find it logistically difficult!

The Lady:

Absolutely gorgeous, possibly the sexiest working girl I've ever visited. Fantastic curves, great tits. Probably a bit taller than the 5'6" indicated on the website. Shaved down below.

The Story:

Had a super time. Started with kissing and mutual stroking and fondling, then went down on her, which she seemed to enjoy a lot (or she is very good at faking it). I certainly enjoyed it when she returned the favour. She was also very enthusiastic during the sex.

Inga has excellent English and we had a good post-coital chat (mostly about football - it was the middle of the World Cup). No awkward silences.

Only one round, but that was mostly because we took our time building up to things - I'm pretty sure that round two would have been offer if required.
