Pearl is a very attractive mature lady always dressed to kill

### The Story:

After a very friendly welcome Pearl took off her red dress to reveal her stunning undies. Her oral was gentle but exciting and sex in several positions followed. She is a charming, friendly lady who knows how to please the more mature man. I had a great time and will return.

The photos on her website [pearlofguildford.com](http://pearlofguildford.com) do not do her justice.
