Just behind Staples with easy and cheap parking. Neat and tidy establishment.

The Lady:

Tall, slender and as her name implies Foxy. Actually she's very Foxy. The pictures on the website don't really do her justice as they only hint at her bubbly, fun loving personality.

The Story:

I'd met Foxy in the past, when she was using a different name, and then she was wonderful. She hasn't changed and really loves giving and receiving pleasure with a starter of hugs, cuddles and DFK, followed by undressing of one another. Then after some inter-twining of our limbs and hands in front of a big mirror, onto the bed for a whole range of positions and enjoyment. The climactic moment was with her in reverse cowgirl. Altogether a wonderful experience - thank you Foxy, until the next time.
