### The Premises:

Easily accessible from the car park as per website. Warm and friendly welcome when I rang doorbell. Was given directions to a very smart room. Massage bed in middle with good room all around it. There was a shower cubicle in room. My only fault throughout visit was the shower was in competition with the downstairs washing machine for the hot water.

### The Lady:

I had wanted to visit Penny for a very long time, but distance and commitments proved difficult to arrange. Thankfully this opportunity arose. Penny was even more attractive than her photos suggested. Having met Penny at last I hope I can arrange another visit.

### The Story:

I chose the Naturist massage as it seemed a shame not to admire Penny's very fit body and pert breast. Penny's massage on my back, neck, shoulders and legs was wonderful. and when I thought things could not get better Penny asked me to turn over. Now I could admire Penny's lovely body better. Conversation was easier as well and found lots to talk about. When it was time for the Happy Ending it was the best I had received. I felt more drained than ever before. Penny, thank you!! I went home smiling all the way back to West London.
