The Lady:

Beautiful buxom girl in her mid twenties - looks as good as her photos.

The Story:

Lilly is confident and comfortable in her skin. Spoke excellent English and has been in London for a number of years but is very new to the escorting business. Started with some deep FK and then took Lilly's top off to play with her wonderful full breasts. Proceeded to OWO which was excellent and she kept wonderful eye contact, followed by some titty sex and then regular sex in various positions - finished on her back. Some chit chat followed by another round. Only drawback was that she had a bit of smoker's breath. Would recommend as she is accommodating and free spirited.
