The Premises:

Nice flat Clean place of adequate size bed room and bath room.,block near Bayswater tube station. Good area. Felt perfectly safe.

The Lady:

Tara is more beautiful in person than the photos on the site suggests a very pretty brunette lady, slim, chatty and looked very sexy with her long black hair and perfect ass, tight fitting dress and heels.

The Story:

Arrived on time and was actually expected, which is always a bonus. We started with a kiss on the lips and quickly sorted the 'gift' and started straightaway with passionate kissing. This went on for about 10 minutes to my total satisfaction. After a brief massage and some oral both ways got her into a delightful 69. Then onto sex first mish with legs open and closed and then doggie - cock in pussy, hands on boobs - heaven! Manage to hold of long enough to get her back on the bed and into mish again with her legs in the air and that was enough to do the trick. Short and sweet as usual, but another big smile on my face and another lovely memory! A totally enjoyable . Must repeat. Guys treat her well like a gentle person, you shall be rewarded.
