The Premises:

A rented apartment in an upscale part of central Cheltenham.
Jilly tours to Cheltenham a few times a year.

The Lady:

Jilly is a mature but very attractive blonde. Better than the photos is a cliché, but true in this case. I was very pleasantly surprised.

The Story:

Jilly specialises in Massage with a Happy Ending, and has built up a well deserved reputation in this field over the years. Her massage was excellent, and her efforts to coax some life out of your humble correspondent energetic and sympathetic. The failure was all mine, and I put it down to the earliness of the hour.

She is intelligent and fun to be with. I will be back when she returns to Cheltenham.
