The Story:

arrived and as usual the door opens and theres nobody there shes behind it. as she closed the door "WOW" I thought my god what a beauty there she stood in her undies and boots. following her up the stairs a terrific bum in my face. shown bathroom offered shower and a drink.

I am not going into detail about the service but just to say if you dont go and see then you can only blame yourself shes a supermodel looking girl and gives 100% full GFE satisfaction and some. Best in the area by far, so much so I have booked two more visits.

Bob says a big thank you made an old man extremely happy
