Very slim, with great, tight body. Had a small peach of a bum, small breasts and very attractive. A real babe.

### The Story:

In terms of face and body this girl is a total beauty. She is Italian and 19 years old, with long black hair and is very, very sexy. However, the punt was far from a success. First time in ages, but had been travelling, was stuck in Manchester and felt like some company. Saw the agency on AW and there were some really good reviews. It was easy to book via text and the agency was really helpful.

The visit itself was a disappointment. She opened the door in her underwear. Straight to the bedroom. Asked for more money than on the website, but agreed when I pointed this out. No drink or shower was offered. Starting kissing, got her kit off, some covered oral, 69 then sex in cowgirl, doggie and mish. She is very tight and I came quite quickly. She was not talkative, did nothing to make me feel welcome, wanted to get the sex on and over as quickly as possible. Once finished I asked for some water. We lay on the bed not saying anything. There were other people in the flat and I felt very uncomfortable. With half an hour to go, she asked if I wanted a shower, so I did and left.

Complained to the agency and they were very good about it. I will use them again but will call next time. Like I said this girl is gorgeous, but she is new to escorting and young. Maybe she sw me as too old, in early 40s and will e receptive to others. But given the competition from other girls at this agency, may be better going for someone else.
