The Lady:

Well. I know that these type of establishments tend to be inaccurate about the ages of the ladies, but Amy was not 22, or 32. Perhaps 42. Asian, from Hong Kong. Experienced, no doubt. Friendly with a good grasp of english.

The Story:

I have visited this flat on numerous occasions in the past. The ladies seem to be getting older. This is no criticism, but I would like to know what is waiting for me! We were playful. I came twice. Amy massaged me well. Oral without. Reverse oral. Penetration with condom. Also a bit of anal play. French (Hong Kong) kissing. A nice hour spent with a very accomodating woman. Amy won't be here when I next visit Wolverhampton. I wonder who will?
