The Premises:

Clean and tidy

Flat over a block of shops. Looks a bit scruffy from the outside but it was o.k. inside. Felt completely safe. Plenty of parking at Sainsbury's which is only a few minutes walk away.

The Lady:

Her description on the website was correct. However her photographs do not really do her justice. She is a very beautiful Lady and should have a new set of photographs on her website

The Story:

Jasmin greeted me at the door of her flat with a beautiful smile and made me, an old guy, very welcome. I couldn't get over how beautiful she was. We discussed what she likes and does not like. Most everything was available including OWO but she does not allow CIM. which is fair enough in my opinion. All her services were provided very willingly (especially OWO) and with a lovely smile and she ensured that I had a good time. She has a pleasant personality and is obviously an intelligent Lady. She is no "clock watcher" and we had a very pleasant conversation at the end when she told me that she was from Denmark and only worked two days a week and has a "proper" job the rest of the week. I really enjoyed the time I spent with Jasmin and can heartily recommend her to anyone prepared to treat with respect a very lovely Lady who speaks perfect English with a sexy accent.
