The Lady:

Very cute girl - more like the girl next door rather than the sexy look she displays on her photos. Well dressed like a young college girl, great figure with mesmerizing blue/green eyes.

The Story:

Anabella has a cute and giggly unjaded personality which I appreciate. After discussing her background - she is from the Baltics she got done to some OWO - decent but nothing exceptional. Onto sex in various positions which was amazing - Anabella is very flexible and has a great body/behind. After some LFK proceeded to some more OWO and sex - had to finish me off by hand as I got tired. Would revisit and recommend.
