The Lady:

Attractive young girl with a great body though not as stunning as her photos but very attractive nonetheless.

The Story:

Being very prompt with my review - as I saw the lady only a few hours ago. I was Elyza's third client in London as she is very fresh to the profession. Speak's hardly any English but has a good cheerful attitude and persona. Great natural boobs, sunbed tan, firm toned body and beautiful eyes. Started with some nice OWO followed by sex in various positions - I had to take the lead as she is new and seemed a bit nervous. Second round was on offer and she loosened up some so was more enjoyable. Sweet girl and I would recommend.
