### The Premises:

Filthy, tatty and scruffy in the extreme; bottom left-hand room of large house. Carpets stained; TV, showing food programme, on all the time; 'phones ringing throughout; untidy and unclean; no shower or loo; etc. Nice enough street, though, ironically enough.

### The Lady:

Both showed evidence of lack of health, being pasty, thin and undernourished. Indeed, Kim had a rash of some sort around her neck and face; and her eyes were distinctly piggy / slitty. As to the rest, it hardly matters.

### The Story:

This might have been the worst punt of all time. Certainly, I can't remember a poorer one. Alarm bells were ringing when I entered this shit-hole of a room; also, when I was asked whom I was going to shag and from whom I would receive a blow-job. I said, of course, that it was normal, in my experience, to enjoy both with both WGs. However, when one has travelled a long way, with expectation, and is in various degrees of undress, these bells become muffled

The price was for 30mins, but I was out of the door within 10. Both of these girls promised me, on the 'phone and more than once, that they do OWO and DFK; and, indeed, their profiles on another site promise a cornucopia of delights that simply weren't delivered. Contrary to what Pay4fun says in FR 98461, Kim does not do DFK. Moreover, Oral was covered - even after I'd questioned it (a sure dick-softener). In addition, there was no "bathroom". This whole session was characterised by their telling me what they would do and what I would just have to put up with. To cap it all, after they'd both ridden me (badly), they erroneously assumed that I'd cum, and simply packed up. I never did get to cum, actually: it was a totally dire experience (and how did Pay4fun get to write that FR?). I feel utterly cheated and delusioned.

Take it from me, guys: avoid like the bubonic - even if it's the last shag available.
