The Premises:

Well reported establishment in an industrious area outside the city centre. About a 25 minute walk from the train station.

The Lady:

32 ditzy, loquacious blond, with a 34C bust, who's full of energy. A stereotypical Cockney with the dirty talk to boot.

The Story:

This was a 7/10 punt, but a pint afterwards was certainly required, not only to recover with the enthusiastic administrations from this vigorous lady, but also because of the incessant chat, occasionally badgering unmaliciously. However, her dedication and authentic intent to give and receive pleasure is unmistakably genuine. A large amount of body-to-body massaging, kissing, OWO and abundant zealous action in several positions, accumulated in a very satisfying climax. An old cliché, I know, but this lady is a quintessential archetype of a 'blond bimbo', who gave me chapter and verse about her life-story.

I recommend her for the personalised, bona fide service, which she offers, but will warn about the lack of intellectual stimulation.
