The Story:

Dee came into the room with a great smile hug and a kiss, very friendly with a strong northern accent. I was offered massage to start which I accepted , recieved good oral without,69 then on with the cover and nice energetic shag in cowgirl, mish and doggie. Dee was great ,unfortunately I had a performance crisis toward the end (it happens) but Dee took it all in her stride and I had a great time overall with a lovely girl who is really good at her job. I will be back to see her again to attend to unfinished business.
